### PROFILE

Fallen in love with audiovisual tasks. I'm always thinking about potential projects to be done, so I never stop practicing and preparing myself as a multi purpose digital designer.

According to this, along with my great motivation and self-confidence in my capabilities, I am open to anything that can help me to develop an outstanding professional career.

### EXPERIENCE

#### Video editor and graphic designer

3D JUEGOS  
08/2020 - now

Working for one of the most famous websites dedicated to videogames in Spain, with 700,000+ subscribers on YouTube. These videos are also posted on their website: 3djuegos.com.

#### Audiovisual projects

FREELANCE  
04/2018 - now

Diverse projects production, related with some audiovisual fields. The typologies included are recording and editing music videos (both 2D and 3D softwares), product photography or social photography shootings, amongst others.

#### Real Estate photographer

ROOMMATES SEVILLA  
01/2019 - 07/2019

In charge of the corporative image of the business. The tasks made were taking photographs of real estate linked to the company, advertisement posters making or updating the website with new pictures and graphic information.
